During the same time, we may not take any action to collect disputed amounts or report disputed amounts as delinquent. This is a summary of your rights; a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to an Account Statement error notice.

IMPORTANT NOTICE FOR BANK OF CLARKE LOAN CUSTOMERS FINANCE CHARGES Begin to accrue on the day an advance is taken on your account. The FINANCE CHARGE is computed by applying the daily periodic rate to the "average daily balance" of your loan account for the billing cycle and multiplying that amount by the total number of days in the billing cycle. The "average daily balance" is computed by applying new advances and principal reductions to the beginning balance of the account each day to get the daily balance. Then, we add up all of the daily balances for a billing cycle and divide the total by the number of days in the billing cycle to obtain the "average daily balance."
